Re: MUR 5819

Attn: Mr. Jeff S. Jordan

Gentlemen:

I am responding to your letter of September 22, 2006, in which you attach a complaint filed by the law firm of Bickerton Saunders Dang & Sullivan. The Complaint alleges that the U.S. Chamber of Commerce sent an automated voice telephone message to a resident of Hawaii named _____ on September 15, 2006, which message violated Federal Election Commission rules.

Nowhere in the Complaint does it claim that the Case for Senate was involved in any way in this matter. The Complaint appears to be directed entirely against the U.S. Chamber of Commerce and not against Congressman Case.. The automated message states clearly as follows: "This message was paid for by the U.S. Chamber of Commerce. Thank you."

Thank you for informing us about the Complaint, but we feel that this matter is one between the Federal Election Commission and the U.S. Chamber of Commerce.
